

# Scavenger Hunt Checklist

## **Examples of Scavenger Hunt Objects:**

Do a quick survey of the area! What can you see around you? Use the following list as a guideline for creating your own scavenger hunt! Remember to make it age appropriate.

- Insects
- Wild flowers
- Blade of grass
- Clouds
- Tree
- A leaf on ground
- Water
- Pine cone
- Berries
- Seeds/ seed pod
- Rock
- Litter
- Moss
- Fern
- Wild animals
- Acorn or other nut
- Soil
- An animal's home in the ground
- An animal's home in the trees
- Feather
- Bird
- Fungus on a tree
- Animal tracks
- Spider web

## Forest Scavenger Hunt Checklist

Please Respect Nature - do not remove the objects from the forest (with the exception of litter, of course!)

Can you find me?	Can you guess what type/species I am?
